

THE FINANCIAL EXPERT

BY R. K. NARAYAN

– R K NARAYAN

Narayan is one of the most eminent Indian authors of the twentieth century. Born in 1906, Narayan is awarded by National Prize of the Indian Literary Academy, India's chief literary honour

THEMES

- Relentlessly pursuing personal identity
- Relationships
- Quest for true fulfillment

MAINTHEMES OF NOVEL

- One of the principal themes of R. K. Narayan's novel is the high cost of success. The irony of Margayya's situation is brought home by his rising and falling fortunes in terms of monetary wealth and social status, as well as the impact on his family.

CHARACTERS

- Margayya
- Meena
- Balu
- Dr. Pal
- Brinda
- Madan Lal
- Arul Doss

MORAL OF THE NOVEL

- The wealth earned by unfair means does not remain for long time. That with the ill gotten wealth, you cannot become happy, nor can you give your family a happy and successful life. Such wealth merely becomes the Pandora's Box. This shows Narayan's interest in folk-wisdom and his faith in ancient Indian values.

WHAT IS THE TITLE OF THE NOVEL THE FINANCIAL EXPERT?

Malgudi Ka Chalta Purza is the Hindi translation of R.K. Narayan's English novel *The Financial Expert* (1952), where he explores the themes of greed and lust for money. The story takes place in the fictional town of Malgudi.

CONCLUSION

- In conclusion, financial experts are an integral part of damages litigation. Their specialized knowledge, skills, and qualifications enable them to analyze complex financial data, quantify damages accurately, and provide expert opinions.
