**INTERNATIONAL CONFERENCE ON MATHEMATICS IN JSS  
COLLEGE, MYSORE**

Mysore. Dec.26: A Two day International Conference on 'Mathematics - Yesterday and Today' sponsored by UGC, New Delhi was inaugurated by Dr. Muli Mani, Vice-Chancellor, BLDE University, Bijapur. In the inaugural address he said that, when we refer the term Mathematics it brings to the mind generally as a subject which deals with formulae, equations, calculations, and so on. But actually Mathematics is concerned with search of beauty and truth. He also explained how Mathematics is applied in all Basic Sciences, Social Sciences and even in Humanities for updating the research activities in those fields. Further he said that Mathematicians are interested in inviting great problems and finding the solutions for the same. Organizing Secretary Prof. S. Linganna spoke about the conference. Prof. T.D. Subbanna, Director, College Education Division, JSS Mahavidyapeetha, Mysuru, Presided over the function. Dr. Takyum Kim, Professor of Mathematics, Kwangwoon University, South Korea, was the guest of honour. Prof. B.V. Sambashivaiah, Chief Executive of the college welcomed and Prof. M.B. Mallikarjuna Pandit, Principal, proposed vote of thanks. Kum. Uma and team rendered invocation. Dr. Rajendraprasad compered.

In the nine technical sessions held in two days, renowned resource persons presented their research papers and discussions were held. The speakers and the topics on which they delivered talk were as follows: Prof. Kandaswamy

from Bharathiyar University, Coimbatore, spoke on 'a simple Mathematical Model for Infective Disease', Prof. Yilmaz Simsek from University of Akdeniz, Turkey, spoke on 'a Note on Dedekind Eta Function', Prof. Lee-Chae Jang from Konkuk University, Korea, spoke on 'a Note on the von Staudt-Clausen's theorem for a weighted q-Genocchi numbers', Prof. P. Bhaskar Reddy from Sri Venkateshwara University, Tirupathi, spoke on 'Effects of Variable Viscosity and Viscous Dissipation on MHD Mixed Convective flow of a Nanofluid over a Vertical Moving Surface', Prof. Takyum Kim from Kwangwoon University, South Korea spoke on 'a Note on Multiple-Poly-Bernoulli Polynomials of the second kind', Prof. D. D. Somashekara from University of Mysore, Mysore, spoke on 'on sums of two and four squares', Dr. C. S. Bagewadi from Kuvempu University, Shimoga, spoke on 'RICCI FLOW', Prof. H. N. Ramaswamy, University of Mysore, Mysore, spoke on 'on the digits of  $1/p$ , primitive roots and the class number' and Dr. V. Lokesh from Sri Krishnadevaraya University, Bellary spoke on 'Focus on means and its inequalities'.

In the tenth session 25 young research scholars from various universities and post-graduate students presented their papers on their research work. Around 170 delegates participated in this conference.
